

Additional Parking

As part of our initial planning permission we were not given the option of much parking - in due course this will change as we show a need on match days, especially on Sunday mornings to prevent possible problems on the public highway.

In the meantime however we have been very kindly offered additional parking at the Ross-on-Wye target shooting club, based less than 1 minutes walk from our Greytrees playing field and will be clearly sign posted on Match days and largely attended events.

The Ross-on-Wye target shooting club entrance is located under the A40 bridge on Holmes Road.

Ross-on-Wye rugby club would like to thank Ross-on-Wye target shooting club for its hospitality.
